All other sub-committee meeting are held on an ad hoc basis due to the nature of the business being conducted. This includes Personnel, Pilotage, Statutory & Governance, and Infrastructure Project Development Group. The Audit Committee have provisionally agreed to meet once in May 2022 and once in November 2022.

Minutes from sub-committees can be found within the agenda packs once published.

Meetings are still currently being held virtually and will continue too until further notice.

** The date of this meeting allows ADC to hold their Annual Meeting on 31st May 23 whereby appointees will be approved. Hope would be that LBH would then have a full appointment of board members by Mid-June.
